A revolution in EDI for Retailers has arrived!

Would you like to take away much of your EDI IT and Labour costs?
Would you like to employ just your normal ERP?
Would you like to not have to worry about EDI standards?
Would you like to just deal with your Suppliers about what you want to buy from them?
Would you like to run the business you want to run and leave the EDI to someone else?
Would you like to leave it to Double Z who have been doing this for more than 20 years?
